

FOREST CITY GUN CLUB

Right next door to the Bethesda Academy Wildlife Sanctuary & Preserve is Forest City Gun Club, which is easily one of the premier sports shooting complexes in the southeast. FCGC has been host to both the World Shoot Championship as well as the Buick Master Skeet Shooting Championship.

The Club has two sporting clays courses with thirteen stations each. The stations are all accessible by golf cart.

The clubhouse facilities are comfortable, well appointed and will be a focal point for the event. Registration, the Wild Game Lunch, and After-Shoot Awards and Cocktail Reception will take place in the clubhouse.

FCGC manager, Zac Guerrettaz, will be in charge of the logistics at the event.

ABOUT BETHESDA ACADEMY

Originally founded in 1740, Bethesda Academy is the oldest child caring institute in America. A successful school for boys, Bethesda Academy emphasizes a love of God, a love of learning and a strong work ethic. Bethesda Academy offers a supportive environment with a curriculum designed specifically around the ways boys learn most effectively. The school, which serves students in grades six through twelve, features a wildlife management program, digital media program, organic farming program, nationally-ranked chess team and regional and state champion basketball and football athletic programs. Bethesda is accredited by the Southern Association of Colleges and Schools and features a wide range of academic, athletic, vocational and spiritual development opportunities.

Preparing tomorrow's leaders and entrepreneurs by inspiring young men to discover their academic, social, and spiritual potential.
