11am - Registration & Wild Game Lunch | 1:30pm- Shotgun Start

5pm - Awards & Gourmet Wild Game Cocktail Reception

www.bethesdaacademy.org

Bethesda Sporting Clays Overview

About The Tournament

Thank you for your past participation and support of our Bethesda Sporting Clays tournament. We look forward to hosting our 10th Sporting Clays event on Friday, October 19th at The Forest City Gun Club. Please join us! The tournament is a perfect day for outdoor fun. Along with sporting clays, the day-long event includes a 100-shot tournament, Lewis Class scoring, Wildgame Lunch and Dinner by Howling Hound Chef Kirk Blaine, Bourbon tasting, and After Party with awards, cocktails, and live music (non-shooters encouraged to attend). At Bethesda, our students are predominately from low-income families which makes fundraising events like our Sporting Clays tournament critical to our success and our ability to ensure that cost is never an encumbrance to a family's ability to have their son benefit from the Bethesda experience.

11:30 AM	Registration, Wildgame Lunch, & Safety Overview
1:00 PM	Shotgun Start
5 - 8 PM	Live Auction, Awards, & Wildgame Cocktail Reception (Invite Your Spouse!)

About Bethesda Academy

As a boys' day-boarding school for students in grades 6-12, Bethesda Academy provides a transformative educational experience to help each student reach his full potential by instilling in each graduate a love of God, love of learning, and a strong work ethic. Bethesda's educational program is uniquely designed to meet the educational needs of boys utilizing instructional strategies that promote active "hands-on" learning, critical thinking, and intellectual curiosity. The Bethesda teaching and learning approach combines traditional academic skills with emerging learning technology applications in a 1:1 environment to ensure each graduate is prepared to succeed in the demanding collegiate, vocational, and/or military endeavors after high school. Athletic and extracurricular programs provide additional opportunities to develop the "whole young man" during his Bethesda journey.

What Makes Bethesda Unique?

Parents choose Bethesda because of our supportive academic environment, small class sizes, and internship opportunities through our Center for Young Entrepreneurship. Bethesda students are offered a holistic learning environment using a blend of technology, traditional classroom instruction, and an outdoor living laboratory. 95% of our students graduate on time, 85% continue to higher education, and 15% choose military service or the workforce. Our graduates are prepared to succeed whatever path they choose. It is in this special place that we seek to instill these values in each Bethesda graduate:

Love of God	Honor
Love of Learning	Respect
A Strong Work Ethic	Consideration for others
