

Bethesda Academy Afterschool Program

Guidelines and Expectations

The Bethesda Academy Afterschool Program is a service offered Monday-Friday for working parents/guardians, and an included component of the Cottage Program for all cottage students not currently involved in athletic practices. Throughout the school year, students in the Afterschool Program will have the opportunity to experience a variety of skill-building activities including sports, arts and team-building. Every student who stays past regular school dismissal time, and who is not currently involved in athletic team practice, must have an Afterschool Application on file.

This service is offered at low-cost to families and is subject to both students and families following the program's guidelines and expectations, detailed below. We ask that parents and students review the expectations together before filling out and signing the form; please turn in the completed form as soon as possible to the school office. It can be emailed to deshonna.cooper@bethesdaacademy.org or faxed to 912-351-2062.
