MEDICATION WAIVER

I, __________________________, parent/legal guardian of __________________________, who is a student athlete at Bethesda Academy give permission to the Certified Athletic Trainer to dispense medicine to my son. I acknowledge different medicines have different purposes. Therefore, School staff and/or Athletic Trainer have my permission to disperse medicine according to signs and symptoms or specific problem/injury. Medications that may be available include name brand or generic Aleve, Tylenol, Ibuprofen, Pepto Bismol, Imodium, Tums, medi-lyte (or other electrolyte replacements). If there are any medications you do not wish for your son to take please list below. I also acknowledge certain medications may be contraindicated based on prescription drugs that my son takes on a daily basis, therefore I agree to notify the school office and/or Athletic trainer as soon as there are any changes in medication my son takes daily.

This document will serve as written permission to dispense OTC medicine as the Athletic Trainer sees fit, and has available. I acknowledge that these medications will only be dispersed in emergency situations. If the Certified Athletic Trainer or other medical personnel recommends that my son needs an over the counter medication multiple times per day, I agree that I will be responsible for providing this for him.

If my son requires any medication that is not OTC but needs to take during the day or while the athletic team may be away and I will not be present, proper notification will be given to the Athletic Trainer or Head coach. Bethesda students should not be in possession of or carry around medicine themselves; therefore, an appropriate adult will be in possession of medication and can disperse according to directions.

*If my son requires an Inhaler or epipen for asthma or allergies I will provide an extra one for the medical staff during the athletic seasons, as well as notifying the school staff.
