The Lady Huntingdon Amphitheater is a beautiful site for any function, as the marsh provides the backdrop for the stage. The main seating area can be set up with chairs only (theater style) or with tables and chairs for a dining experience.

### G. Tribble Plaza

Tribble Plaza is an intimate outdoor courtyard, equipped with four wrought iron tables with eight chairs and two benches. The lawn area can also be incorporated into your event space.

### H. Burroughs-Lawton Patio

The Burroughs-Lawton Patio is located across from The Berne and is an open patio space between Burroughs and Lawton Halls – two signature buildings on campus. The Patio is connected to Tribble Plaza by a walkway, and using both areas provides the flexibility of a L-shaped event with ease of flow for your guests.

Founded in 1740, Bethesda Academy is the oldest continually operating child caring organization in America. Today, a successful private boarding and day school serving at-risk boys in grades six through twelve, Bethesda Academy features a curriculum designed specifically around the ways boys learn most effectively.

Bethesda Academy's campus sits on 650-acres made up of marsh front, lakes, a timber farm, a cattle farm, and an organic garden. The campus is located approximately 12 miles east of downtown Savannah on the Moon River. Bethesda offers a unique venue for conferences, board meetings, training sessions, lectures, seminars, corporate outings and dinners, small concerts and theater productions, as well as special events and private social functions.

Bethesda Academy is able to provide meals for your function from a limited menu for an additional fee. If you would prefer to use your own caterer you are welcome to do so. However, Bethesda Academy does require the use of approved bar caterers if you plan to have alcohol at your event. Bethesda's alcohol policy and the approved list of bar caterers, and the rental fees for the various venues are available upon request.
